The joy of teaching, the love of learning

From The President

"How beautifully leaves grow old. How full of light and color are their last days."

John Burrows

Kia ora tatou te whānau

We've had a busy start to the year with a number of board meetings under our belt already and a great networking event held with our staff, the purpose of which was for the board and staff to get to know each other. Then a Pandemic and National Lockdown was declared and completely changed everything.

We have had to adapt to new ways of working, communicating and meeting. Our Board is receiving regular updates about the fabulous work happening across our kindergarten communities and are following kindergarten facebook postings with their amazing videos for children and tips for parents.

We're already thinking about and planning for our kindergartens re opening. At this stage we're uncertain when and how the government will return us to normal services.

Looking after each other

As we head into week 3 and 4 of the lockdown, things might start to feel really tough in our bubbles.

There are many on line services providing support and advice for a range of topics. Our kindergartens are uploading videos from our teachers to children, and demonstrating activities that children can enjoy and connect to. You are welcome to view any of our kindergarten facebook pages.

In addition we can recommend:

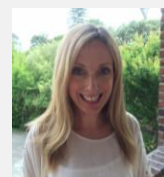

Kindy Safe www.kindysafe.nz ideas and resources for parents and teachers
Facebook Nathan Wallis x factor education, parenting through COVID 19
Fantasticfunandlearning.com lots of free activities to do with children
Sparklers at home sparklers.org.nz mental health & wellbeing support

Keep safe and well
Mā te wā,

Extended year kindergartens

Four of our kindergartens now offer an extended year service, being open for up to 50 weeks per annum (Bette Christie, Riversdale, Wharerangi and Wycliffe Nga Tamariki).

Any changes to the service our kindergartens offer is usually generated by either changes in circumstances, community demand, government policy or funding changes. There are no plans to implement this service across all kindergartens in our network.

Fees and donations

We are not requesting fees and donations during the lockdown period. If you have already paid these, we'll arrange a credit against future payments due.

Fees and donations help fund your kindergarten. They are used for all sorts of purposes such as replacing resources, equipment, books, music, playgrounds, and excursions. We are immensely grateful for the payments we receive, no matter how large or small – thank you!!

A donation is voluntary, and eligible for a tax rebate. When kindergarten resumes service tax receipts for donations will be prepared and available to collect from your kindergarten. We are not allowed to email these.

Consultation thank you

Our Board thanks two kindergarten parents, Paul from Pirimai and Meg from Eskview, for providing feedback regarding our Membership booklet and Application forms, your feedback was really helpful and most appreciated.

Resource packs for kindergarten children

The Ministry of Education has advised that some of our kindergarten communities will receive resource packs for children, which will be couriered to them. We don't have any control over which communities will receive these, however we are grateful for those that will.
